RE: Complaint of Election Code Violations by Chuck Hoskin, Jr. and Bryan Warner,
candidates for Principal Chief and Deputy Principal Chief

Dear Election Commission,

I, Michael E. Moore, am a citizen of the Cherokee Nation by blood. I am troubled by violations of campaign finance laws and our Constitution by Chuck Hoskin, Jr. and Bryan Warner, candidates for Principal Chief and deputy Principal Chief. I ask that the Election Commission immediately investigate these crimes and violations and stop candidates Hoskin and Warner from continuing their pattern and practice of illegal campaign activities. I ask you hold a hearing to disqualify Hoskin and Warner. In addition, I ask you to investigate Council candidates Keith Austin, Deborah Proctor, and Todd Branstetter for not reporting in-kind contributions and expenditures from Cherokee Future LLC that are similar to nature.

1. **Hoskin and Warner violated Sections 41, 44 and 47 of the Election Code¹ by failing to report expenditures.**

¹§ 44. **Candidate Requirements related to Acceptance of Campaign Contributions and Expenditures.**

F. Expenditure Records and Receipts. An expenditure of more than one hundred dollars (\$100.00) for campaign purposes shall be made by written instrument drawn upon the campaign account containing the name of the candidate and the name of the recipient.

§ 47. **Financial Disclosure Report--Contents.**

B. Expenditures. The report shall detail expenditures in categories set forth on the report form, excluding filing fees, any interest earned on contributions, candidate's costs for necessary personal travel within the boundaries of the Cherokee Nation, and candidate's subsistence expenses.

E. Certification; Criminal Sanctions for Misrepresentation. Each financial disclosure report shall be certified by the candidate or his or her financial agents. A candidate or a candidate's financial agent who certifies a report and therein knowingly fails to fully disclose the information required in this Section as to any gift, promise, treat, reward, favor, or anything of value given or expended, is guilty of a crime.

a. Hoskin and Warner did not report \$500,000 of advertising and printing campaign costs.

The Hoskin and Warner campaign reported \$574,016.42 as miscellaneous campaign expenditures going to Cherokee Future LLC owned by Chuck Hoskin Sr., who is Chuck Hoskin Jr.'s father. Of that amount \$375,000 is noted as "consultant fees." See Exhibit 1 – Campaign Financial Reports and Summary. Also, see Exhibit 2 – Financial Analysis of Financial Reports.

All candidates are required to comply with Election Code section 44: Section 44 requires each candidate to report:

An expenditure of more than one hundred dollars (\$100.00) for campaign purposes shall be made by written instrument drawn upon the campaign account containing the name of the candidate and the name of the recipient and must be reported in categories set forth on the report form provided by the Election Commission.

Failure to pay, each and, every expenditure over \$100 from campaign funds by written instrument (usually a check or electronic transfer with a receipt) on the campaign' account and to report each expenditure by categories required by the Commission is a violation. A review of the evidence clearly shows violations of section 44 by Hoskin and Warner.

A review of Hosking and Warner's Financial Reports for the first two financial reporting periods show:

· Advertisements (TV/Radio/Newspapers/Social Media)	\$7,499
· Printing (Signs/Banners/Mailers/Shirts)	\$1,642
· Compensation (Staff)	\$7,688
· Office Expense	\$19,719
· Travel	
· Food	\$3,384
· Miscellaneous	\$574,016

The cost of promoting Hoskin and Warner and attacking their opponents with mudsling material clearly exceeds the amounts reported on their financial reports. For example:

- Hosking and Warner have mailed at least ten directed mailed cards, to tens, if not hundreds, of thousands of voters, each mailing of would cost \$6,000-\$10,000 totaling at least \$60,000. However there is no expenditure reported for postage, or

Cherokee Nation Election Commission
Page 3
May 14, 2019

direct mail services. The total reported under the category for advertisement is \$1,642 which is far less than cost of direct mail. (Exhibit 3 – Print/Digital Ads)

- Hoskin and Warner have published at least, high quality, ten digital ads each of which can easily exceed tens of thousands of dollars. The cost of these videos is implied by Elizabeth Stroud, a campaign worker for the Hoskin and Warner campaign in her April 23, 2019 complaint against Hoskin and Warner's opponent. See Stroud Complaint paragraph 2. Based upon implied production costs alleged by Stroud, the cost of Advertisements on behalf of Hoskin and Warner dramatically exceeds the \$7,500 amount reported. (Exhibit 2 – Print/Digital Ads)
- Hoskin and Warner conducted push polls, focus groups, and research groups which easily exceeds \$35,000 but those payments advancing their campaign is not reported.
- Hoskin and Warner have printed hundreds of signs costing at least \$20,000. There is no listing for printing of campaign signs.
- Based on mailers, calls, social media, and signs Hoskin and Warner conservatively spent \$200,000 but only \$8,600 is reported for those cost to advance their campaign.

As such, Hoskin and Warner have underreported their expenditures and violated Section 44 by not reporting ALL Advertising and Printing expenditures.

b. Hoskin and Warner did not report an estimated \$300,000 of compensation campaign costs.

Hoskin and Warner campaign advertised for Campaign Coordinators in the job advertisement internet service "indeed.com". There is no record of the expenditure for these campaign workers or other campaign managers. See Exhibit 4 – Indeed.com Employment Advertisement.

c. Cherokee Future LLC under the control of Hoskin and Warner violated Sections 41. B, 43 (A), and 44 F.²

Hoskin and Warner report that Cherokee Future LLC was paid \$574,016 as a miscellaneous item and of that amount, \$375,000 was noted as consulting fees. See Exhibit 1. Any expenditure managed by Cherokee Future LLC for campaign purposes must be made by written instrument drawn upon the campaign account. ***It is inconceivable the Hoskin and Warner campaign would pay \$574,016 as a miscellaneous expense.*** Any expenditure made by Cherokee Future LLC on behalf of Hoskin and Warner campaign must be reported to the Election Commission.

² § 41. B. **Campaign Expenditure.** "Campaign Expenditure" means an expenditure of money or services incurred by any person in connection with a campaign for an elective office or on behalf of a ballot measure. Whether an expenditure is incurred before, during or after an election does not affect its status as a campaign expenditure.

Cherokee Nation Election Commission
Page 4
May 14, 2019

Chad Hunter, a reporter for the Cherokee Phoenix on 5/10/2019 reported:
In a statement, Hoskin's campaign explains Cherokee Future LLC as "a not for profit business established to allow campaigns to process payments to its vendors."

If Cherokee Future LLC made payments drawn on its own account, then Hoskin, Warner and Cherokee Future LLC violated Section 44 which requires all, "expenditure(s) of more than one hundred dollars (\$100.00) for campaign purposes shall be made by written instrument drawn upon the campaign account." It is inconceivable that Hoskin and Warner would pay a corporation \$375,000 to serve as a processing agent (the amount noted as consultant fees. The Hoskin and Warner campaigns could only purchase personal services or goods from Cherokee Future LLC such as a consultant. If they hired Cherokee Future LLC as a consultant or processing manager, it must reported payments to Cherokee Future LLC as compensation.

The balance of the miscellaneous expenditures reported by the Hoskin and Warner campaign is approximately \$200,000 (\$199,016.42). Assuming if the consulting fee for Cherokee Future LLC is \$375,000, which is correct, then Cherokee Future LLC's payment of \$200,000 for Hoskin and Warner campaign drawn on Cherokee Future LLC's bank account is illegal.

If Cherokee Future LLC paid over \$200,000 for Hoskin and Warner campaign expenses, then Hoskin and Warner violated the election code for accepting corporate in-kind donations from Cherokee Future LLC funds. Because according to the reports of Hoskin and Warner, any amount over \$200,000 that was reported pay to Cherokee Future LLC were earned as consulting fees. In other words, the \$375,000 that Hoskin and Warner report as consulting fees paid to Cherokee Future LLC are its earned compensation and may not be used by Cherokee Future LLC to make expenditures for the Hoskin and Warner campaigns, otherwise it would be an illegal corporate in-kind donation and expenditure violating Section 43 (A).

Cherokee Future LLC paying for Hoskin and Warner campaign expenses with funds from Cherokee Futures LLC bank account violates Section 44.

The Attorney General, Todd Hembree issued an Investigation Memorandum on May 9, 2019 regarding complaints by Hoskin and Warner campaign workers against David Walkingstick. His legal analysis, as applied to Hoskin, Warner and Cherokees Future LLC below, shows they blatantly violated Cherokee election law. Basically, Cherokee Future LLC has committed the violations that the Attorney General cites against Cherokees for Change.

Cherokee Nation Election Commission
Page 5
May 14, 2019

Using Attorney General Hembree's words from his Memorandum and now applied to Cherokee Future LLC:

Cherokee Future LLC is designed to influence the success or defeat of candidates in the Principal Chief election.

Cherokee Future LLC paid for mailing numerous pieces of campaign literature encouraging Cherokees to vote against David Walkingstick and for Hoskin and Warner. This nationwide mailer was designed to influence the success or defeat of candidates for Principal Chief and Deputy Principal Chief.

Legal Analysis

There is clear evidence that Cherokee Future LLC operated by Hoskin's father is supporting the Hoskin campaign through both direct mail and digital advertising. The expenditures that Cherokee Future LLC are making to support Hoskin and Warner are not being reported to the Cherokee Nation Election Commission. It is operating without any oversight from the Cherokee Nation Election Commission, and in violation of the laws enacted by the Tribal Council.

Cherokees Future LLC is then converting those monetary transfers into in-kind contributions to the Hoskin and Warner campaigns in the form of digital and direct mail advertisements to voters. Because Cherokee Future LLC is prohibited from making expenditures for the benefit the Hoskin and Warner campaigns not on a written instrument drawn upon their campaign accounts *any* expenditure made by Cherokee Future LLC is illegal.

Under the Cherokee Nation's laws, corporations are not allowed to make these kinds of in-kind contributions or "independent expenditures" to a candidate under any circumstances. However, there is evidence of significant coordination between the Hoskin and Warner campaign and Cherokees Future, LLC. (Cherokee Future LLC claims it is an agent of the Hoskin and Warner campaign.)

Cherokee Future LLC has operated entirely for the benefit of the Hoskin and Warner ticket. It appears it has made payment for the campaigns' website and Facebook page to promote Hoskin and Warner and to attack their political opponents.

Cherokee Future LLC is vehicle for laundering campaign funds by hiding from the Commission and Cherokee people the true nature of Hoskin and Warner campaign expenditures. Cherokee Future LLC is a subterfuge to violate Cherokee election laws. There is no way to determine if Hoskin and Warner have used those funds for illegal or

Cherokee Nation Election Commission
Page 6
May 14, 2019

personal reasons prohibited by the Election code. Have Hoskin junior and senior pocketed that one-half million dollars to serve as a vendor processor? There is no way of knowing.

On May 7, 2019, in response to a citizen complaint, Attorney General Hembree advised Hoskin and Warner Campaign to amend its financial disclosure reports to itemized by report categories entries that "are rounded figures that amounts to hundreds of thousands of dollars." This apparently references the \$600,000 miscellaneous payment to Cherokee Future LLC. The Election Commission must review the actual invoices, check register, and cancelled checks for any amendment the Hoskin and Warner campaigns submit in response to the Attorney General's May 7, 2019 letter to ensure that the expenditures on any Amended Financial Disclosure Report were actually paid by a written instrument drawn upon the Hoskin-Warner campaign account. If the Hoskin and Warner Amended Financial Disclosure Reports show expenditures paid by Cherokee Future LLC on its bank accounts on behalf of the Hoskin-Warner campaign, then Hoskin, Warner and Cherokee Future LLC admit they violated Section 44.

It is clear that the Hoskin and Warner campaigns did not report the expenditures made by Cherokee Future LLC as expenditures of the campaign. The Election Commission should investigate Hoskin and Warner campaigns with the same diligence as it has the Walkingstick campaign.

Hoskin and Warner are guilty of a crime for failure to fully disclose the information required in Section 47 E as to anything of value expended. Hoskin and Warner should be disqualified for violation of Section 44.

d. Hoskin and Warner falsified their certifications of financial disclosure reports.

Hoskin mislead or deceived the Commission and Cherokees by attributing payment of the print and electronic media to the Hoskin-Warner campaign when in fact was illegally paid by Cherokee Future Inc.

Hoskin reports on his digital ads, they are "Paid by Hoskin Campaign." The return address for Hoskin and Warner on their direct mail is:

Cherokee Nation Election Commission
Page 7
May 14, 2019

Hoskin and Warner failing to report expenditures for advertising and media is a violation and contrary to their certification they signed on their financial disclosure reports that their reports are valid and correct.

2. Conversion of Campaign funds³

Hoskin's financial reports show a failure to report \$133,491.76. Hoskin's financial report ending March 14, 2019 shows and ending balance of \$450,987.01 and his next financial report ending March 31, 2019 shows a beginning balance of \$317,495 which is an explained difference of \$133,491.76. Candidates may not convert campaign funds to their own use. The candidate is required to report all income and expenditures and it is apparent Hoskin and Warner violated Sections 41. B and 44 F by not reporting all income and expenditures. See Exhibit 1.

3. Failure to report in-kind contributions from the Cherokee Nation.

In the Spring/Summer 2019 issue of the Cherokee Nation COTTA program's Newsletter distributed to thousands of Cherokee voters, the Nation promoted Hoskin by publishing two pages with eight photos and bylines of Hoskin giving away hundreds of thousands of dollars of Cherokee Nation money. This publication was prepared and distributed months after Hoskin announced his candidacy. Hoskin failed to report this in-kind contribution. See attached Exhibit 5 – Newsletter Photographs/Prints.

Hoskin and Warner should be disqualified from running for office for their blatant violation of the Election law by not reporting almost \$600,000 of campaign expenditures, and participating with Cherokee Future LLC in not reporting in-kind expenditures made on behalf of Hoskin and Warner campaigns.

Hoskin and Warner failed to report the expenditure of \$133,491 and the value of COTTA in-kind contribution promoting his election.

³ § 44. B. No Personal Use of Contributions. No Candidate or Financial Agent who receives a campaign contribution may convert the contribution to personal use, including any use that primarily furthers individual or family purposes not connected with the performance of duties or activities as a Candidate for elective office.

G. General Prohibition. No Candidate or Financial Agent shall knowingly accept a campaign contribution or knowingly make or authorize political expenditures that the Candidate or his or her Financial Agent knows to have been made in violation of this Section or Section 43 of this Title; nor shall any Candidate, Financial Agent or Citizen offer or provide something of value intended to influence the vote of a Voter of the Cherokee Nation; and no Candidate, Financial Agent or Citizen shall solicit or accept campaign funds or contributions that violates Sections 43 and 44 of this Title.

Chuck Hoskin and Bryan Warner should be disqualified for falsifying their financial disclosure reports because they signed and certified their reports were valid and correct. Chuck Hoskin, Bryan Warner, and Davis Mansshaguin should be criminally prosecuted.

The violations by Chuck Hoskin and Bryan Warner are not minor errors; they set up a corporation to illegally hide \$600,000 of financial expenditures from the Commission and Cherokee people. Ninety-three percent of the expenditures of the campaigns of Hoskin and Warner were laundered through Cherokee Future LLC. The Commission should disqualify them from running for office.

For better healthcare at every level, we need
CHUCK HOSKIN, JR. AND BRYAN WARNER as our
Principal Chief and Deputy Chief.

Chuck Hoskin, Jr. and Bryan Warner know that the key to a brighter future for all of us starts with a healthier Cherokee Nation today.

During Chuck's time as Tribal Councilor and Secretary of State, there has been more investment in our Nation's healthcare system than ever before. He has been a leading champion to build a new 469,000-square-foot state-of-the-art health clinic right in the heart of our Nation. This will help cut down on patient wait times and reduce unnecessary paperwork. Through a new partnership with OSU, we will grow the next generation of Cherokee doctors today.

Now Chuck Hoskin, Jr. and Bryan Warner are running for Principal Chief and Deputy Chief to continue serving us and to work for better healthcare, more jobs for Cherokees, and the preservation of our culture.

RE: Second Complaint of Election Code Violations by Chuck Hoskin, Jr. and Bryan Warner, candidates for Principal Chief and Deputy Principal Chief

Dear Election Commission,

I, Michael E. Moore, am a citizen of the Cherokee Nation by blood. I am filing a second complaint against the Hoskin/Warner Campaign, as well as against all other candidates using the services of Cherokee Future, LLC. I ask that the Election Commission immediately investigate these crimes and violations and stop candidates Hoskin and Warner, and all other candidates using Cherokee Future, LLC from continuing their pattern and practice of illegal campaign activities. I ask you hold a hearing to disqualify Hoskin and Warner.

1. Illegal for Non Profit to Participate in Political Activities

In two separate statements to the media, Chuck Hoskin and the Hoskin Warner Campaign claim Cherokee Future LLC is a Non Profit Business. The first statement reported in the Cherokee Phoenix on May 10, 2019: "a not for profit business established to allow campaigns to process payments to its vendors." Then again on May 15, 2019, a similar statement was made by Chuck Hoskin, Sr. to the Tahlequah Daily Press and apparently Cherokee Nation Attorney General Todd Hembree: Cherokee Future is a not-for-profit business.

Under the Internal Revenue Code, all section 501(c)(3) organizations (Non Profit Organizations) ***are absolutely prohibited from directly or indirectly participating in, or intervening in, any political campaign on behalf of (or in opposition to) any candidate for elective public office.*** Contributions to political campaign funds or public statements of position (verbal or written) made on behalf of the organization in favor of or in opposition to any candidate for public office clearly violate the prohibition against political campaign activity.

2. Fraudulent Misrepresentation By Hoskin/Warner Campaign and Chuck Hoskin, Sr.

As stated above, statements were made to the media, voters, and Cherokee Nation Attorney General that Cherokee Future LLC is a Non Profit Organization. However, Oklahoma Secretary of State records indicate Cherokee Future LLC is not registered as a Non Profit, but rather a Domestic Limited Liability Company. See attached Exhibit 1 – Oklahoma Secretary of State filing on Cherokee Future LLC.

The statement Cherokee Future LLC is a Not-For-Profit is a material representation. We now know this representation to be false. We know, at least with Chuck Hoskin who established the business, the representation was intended to deceive the public and Cherokee Nation officials with the intention the Cherokee Nation citizens, voters, and officials rely upon the representation to their detriment.

3. Illegal Use of Financial Agent.

In addition to the material representation that Cherokee Future LLC is a Not-For-Profit business, Cherokee Future LLC was used as a financial agent. It is obvious from the changes in financial reports and statements made by campaign representatives, including Chuck Hoskin, expenditures were made by Cherokee Future LLC on behalf of the Hoskin/Warner campaign. This is a violation of Election Code section 42.

4. Violation of Other Cherokee Nation Laws by their Conduct

With the addition of this complaint the Hoskin/Warner campaign is in violation of Election Code sections 44 G and 47 E. And each of the individuals should be held liable under the following Cherokee Nation laws.

§ 424. Punishment for conspiracy against Cherokee Nation

If two or more persons conspire either to commit any offense against Cherokee Nation, any subdivision thereof, or to defraud Cherokee Nation, any subdivision thereof, in any manner or for any purpose, and if one or more of such parties do any act to effect the object of the conspiracy, all the parties to such conspiracy shall be guilty of a crime.

§ 450. Misprision of crime and false statements to law enforcement

B. False statement to law enforcement. In connection with a law enforcement investigation, whoever, in any manner within the jurisdiction of Cherokee Nation knowingly and willfully falsifies, conceals or covers up by any trick, scheme, or device a material fact, or makes any false, fictitious or fraudulent statements or representations, or makes or uses any false writing or document knowing the same to contain any false, fictitious or fraudulent

statement or entry, shall be guilty of a crime, subject to punishment as provided in 21 CNCA § 10.

We appreciate your immediate investigation into the above referenced matters.

You may contact me directly at 619-234-4114 or respond with an email at michael@usbengoshi.com, or facsimile at 619-234-7717.
